How to Apply

Your resume, relevant certifications, and a copy of your passport or permanent residency card should be sent to canadacareers@stena.com with your name and the position you are applying for in the subject line.

Please note that only Canadian citizens or Canadian Permanent Residents will be considered, no exceptions.

Resumes must contain the following information:

1. **Personal Information** – Name, Nationality, Province/Territory of Residence, Phone Number(s) with area code(s), and Email address
2. **Education/Training** - Name and location of training institution, dates attended, name of completed program.
3. **Experience** - Name and location of company worked for, units worked on (type and name), dates of employment, job title(s), and brief descriptions of your main duties/responsibilities while in each position.
4. **Offshore certificates** – Attach all certificates you currently hold (that are valid) as per the “Skills, Education, and Experience” section above.

Please be advised that successful applicants will be required to complete mandatory training ahead of joining the drill ship, and as such, should be available to do so within the boundaries of provincial/federal covid-19 regulations in place at that time.

Thank you for your interest in Stena Drilling. Your application will be reviewed, and we shall revert accordingly should you be shortlisted.
